

Sit-Down  
Counterbalanced IC  
Pneumatic Tire

**Veracitor<sup>®</sup>**  
**GP-VX**

17,000 - 19,000 lbs.

# When it comes to pneumatic tire trucks, Yale leads the way.

The GP170-190VX series offers advanced performance, superior ergonomic design, outstanding serviceability, and low cost of ownership. This series is available in three weight capacities to meet or exceed your material handling application requirements.

## ○ Performance

GP170-190VX trucks deliver maximum performance and are designed and manufactured to be among the most dependable trucks in the industry today. Features include:

- Kubota 3.8L EPA Certified Tier 4 Final DOC Turbodiesel Engine
- Techtronix 332 transmission
- The Techtronix features:
  - Auto Deceleration System
  - Controlled Power Reversal
  - Controlled Ramp Descent
- Shock-mounted combi-cooler radiator
- Ten micron hydraulic oil filtration

## ○ Ergonomics

Applying best-in-class ergonomics, the Yale® GP170-190VX series helps you get the job done with:

- Exceptional rear driving comfort
- Excellent operator visibility
- Infinitely adjustable steer column
- Low step height
- Yale® Accutouch mini-levers

## ○ Cost of ownership

World-class dependability of the Veracitor® VX series has decreased the cost to operate these trucks:

- Improved tire and fuel cost savings
- Long-life, oil-cooled wet disc brakes
- Optional long-life LED lights
- 15% stronger gears and shafts
- Cast ductile iron steer axle
- CANbus wiring
- On-board diagnostics

## ○ Serviceability

GP170-190VX trucks are designed to require less maintenance:

- Gull wing design hood
- One-piece floor plate
- Clean hydraulic and electrical routings
- Intellix VSM (Vehicle System Manager)
- Long-life, oil-cooled wet disc brakes
- O-ring face hydraulic seals reduce leaks

# The Yale experience

With Yale, you know you're getting more than just a truck. You're getting the complete Yale experience. It's the promise we make that goes beyond our products, and our commitment to support you with the best service in the industry.

**Dealer Network** - Yale customers have direct access to the best forklift products and services through our extensive, independent dealer network, featuring 340 worldwide dealer locations (225 in the Americas) with an average of more than 25 years of experience in materials handling.

**Financial Services** - Yale® Financial Services specializes in financing your lift truck needs. Our programs make it easy to acquire the use of a lift truck or an entire fleet.

**Fleet Management** - Even if you operate other brands, we can manage your maintenance and replacement plan. We can offer complete fleet analysis, fleet history summary and a cost-effective proposal for replacement and scheduled maintenance.

**Innovations** - One size doesn't always fit all. Yale has engineered a variety of truck modifications to meet the ever-changing needs of its customers and their changing applications. In addition to standard and optional truck features, Yale offers an impressive list of special truck enhancements designed to increase your productivity.

**Operator Training** - Proper education in operating lift trucks minimizes the risk of injuries due to accidents while increasing productivity. Yale offers OSHA compliant materials that support the training of qualified operators.

**Replacement Parts** - Your authorized Yale® Lift Truck dealer offers genuine Yale parts and quality parts for other makes (PREMIER® Parts) as well as service programs - all designed to keep your trucks running efficiently and cost-effectively.

**Rental** - Long-term rental can provide flexibility for equipment and term tailored to your operation, fixed cost, maintenance and maximum uptime without major capital investment. Coupled with Yale dealers' extensive short term rental fleets, businesses can meet peak production or seasonal requirements while keeping their fleets sized for their everyday needs.
